

# TraveLight 135

The Light Made For Travel

**5-Way Lighting Mode**

**USB Charge In/Out**

**Versatile Clipstand**

This ultraslim credit card-sized rechargeable lantern and power bank can follow users wherever they go, from camping to bike commuting. It's a hands-free headlamp alternative that can clip to a shirt for soft white light that won't blind friends at the campsite.

A 1350mAh USB rechargeable battery provides up to 52 hours of light or a backup boost to your phone. It's a lantern, bikelight, and charger all in one.
