Reimagine what hands-free light can be with the BioLite HeadLamp. HeadLamp combines an ultra-thin front with rebalanced weight and smart fabrics to create a fit so comfortable, you'll think you're simply wearing a headband. With 330 lumens, spot, flood, and red night vision, this headlamp is ready to illuminate your next adventure.

3D Molded Front

Electronics are integrated into fabrics for an ultra-thin light that sits flush on forehead and moves with you seamlessly

Smart Fabrics

Moisture-wicking materials keep you dry and comfortable with no abrasion

Gravity Friendly

Power source is re-located to base of head reducing slippage and keeping weight off front of face

One-Handed Tilt

Lighting articulates without rigidity so you can see what's below you quickly

USB Rechargeable

Ditch the battery swaps and recharge easily via micro-USB from a BioLite Stove, SolarPanel or PowerBank
